<sup>\*</sup>Lap lanes may vary depending on what time of the day it is. During Aerobics, there is only one lap lane in.

#### **Anchored Down Aqua**

This class targets everyone with an action-packed workout for the abdominal and gluteal areas. Progressive water exercises are programmed to strengthen, define, and tone!

## **Aqua Dance**

Integrating the dance formula and philosophy with traditional aqua fitness disciplines, the Aqua Zumba class blends it all together into a safe, challenging, water-based workout that's cardio-conditioning, body-toning, and most of all, exhilarating beyond belief.

#### Squeaks n' Creaks

This is an arthritis-based water exercise class offering an impact-free method of exercise for affected joints and muscle groups requiring that special touch. Cardio work is not omitted from this class, making it perfect for the beginner or a back-to-fitness exerciser.

### **Shallow Water**

A moderate-to-high cardio workout, abdominals, and muscle conditioning in shallow water.

<sup>\*\*</sup>Water will be cleared 30 minutes before each pool party is to be out of the facility in order for cleanup time.
